Please obtain the signature of your session chair if you are making an oral presentation. If you are making an interactive presentation, you may obtain a signature from an IEEE GRSS staff person in the Technical Office. If you are making multiple presentations, then you must obtain signatures from the appropriate people for every paper. Present your signed grant form and passport or US driver's license at the IGARSS Technical Office to obtain your travel grant stipend. (No advance payments will be given; therefore, you will need to use personal funds in advance, allowing grant monies to reimburse your account.)  
  
Grant payments are non-transferable and will be given to the grant recipient only. Do not send a colleague on your behalf to collect the grant. The passport must match the individual and the conference name badge.
